Based upon the Application as filed, the exhibits as introduced and made a part of the record inclusive of those offered on behalf of the Commission, and the testimony of the witness for and on behalf of the Applicant in said proceeding, the Commission finds:

1. That, the Applicant was granted Temporarily Abandonment status for its Boy Scouts 08-14 #1-02 Well located in Section 2-T8N-R14W, Faulkner County, Arkansas, on August 30, 2010. This status could last for a three year period with full compliance.

2. That, the Temporary Abandonment status for the well described in Finding No. 1 above was revoked in accordance with General Rule B-7 because a fluid level test was not timely conducted prior to the anniversary date.

3. That, on January 23, 2013 a Notice of Non-Compliance was issued to Operator for failing to plug the well after temporary abandonment status was revoked by operation of General Rule B-7(h) (4).

4. That Applicant requests that the temporary abandonment status for the well described in Finding No. 1 be reinstated until August 30, 2013.

5. That, the well is scheduled to be plugged and abandoned prior to August 30, 2013.

6. There no objections were filed.

CONCLUSIONS OF LAW

1. That this Commission has jurisdiction over said parties and the matter herein considered.

2. That this Commission has authority to grant or deny the Application under the provisions of Act No. 105 of 1939, as amended.
