

Arkansas
Oil and Gas
Commission

E-FILING AUTHORIZATION

Company Name: _____

Address: _____

City: _____ State: _____ Zip: _____

- This form is to be used for the sole purpose of registering and receiving permission to file electronic production reports via the internet pertaining to the operating of oil and gas wells, or service wells related to such oil and gas wells.
- The name(s) shown in the “Authorized Company Representative” section of the current Form 1 on file with the Arkansas Oil and Gas Commission are the only individual recognized by the Arkansas Oil and Gas Commission as having permission to request and subsequently file electronic reports in behalf of the company shown above.
- The Arkansas Oil and Gas Commission reserve the right to revoke permission to file reports electronically at any time.
- Failure of the above company to comply with any and all rules, recommendations, and guidelines of the Arkansas Oil and Gas Commission may result in the revocation of permission to report electronically.
- Each company will have only one user account for the purpose of using the Arkansas eReport online production reporting system.
